

CERTIFICATE

Product reference: Hose **ALCODIAL**

We hereby confirm that the above referenced product meets the requirements of the European regulations 1935/2004, 2023/2006 concerning materials and articles intended to come into contact with food. The inner layer complies with European regulation 10/2011.

We also confirm that our product complies with requirements of these countries:

France

- Conform to regulation category C dated 1994/11/09 concerning rubber articles intended for food contact with aqueous, acidic, alcoholic, non fatty liquids. Particular use conditions: hoses loading between two uses. Tests report IANESCO n°11/07435 dated 2011/06/16 (Institut Français de Poitiers).

Unites States of America:

- FDA requirements: FDA CFR 21 § 177.1520
- Pharmacopeia requirement: USP class VI

United Kingdom

- WRAS certificate: BS 6920:2000: cold water use (certification n° 1201517 dated 2012/02/07)

For information, we confirm furthermore that this hose, as all our hoses rubber intended for the food contact, contains no phthalate and no bisphenol A.
